VOLUNTEER APPRECIATION:

Events cannot run without Volunteers! Unfortunately, volunteerism is down, so we are now almost fully reliant on competitors to help run events.

As this event is a single level/game event, we will be splitting classes to allow competitors to also volunteer for Regulars or Special/Vets. For each class you sign up to volunteer for (at this event) we will give you \$5 off one of your runs (at this event).

Water and treats will be available to volunteers at the Judges shed. Sunscreen and bug spray will also be provided.

REFRESHMENTS:

Competitor refreshments will not be provided. Restaurants are a 15min drive away in Casselman.

GENERAL INFORMATION:

This is an Agility Association of Canada (AAC) sanctioned trial that will be held under AAC rules and regulations. Through submission of their entry, the Competitor acknowledges that they have read and understand the [AAC rules and regulations](#).

All dogs must have an [AAC Dog ID](#) number to compete. This registration should be applied for several weeks in advance of the trial.

Without exception, all dogs must be penned, crated, or attended on leash when not in the ring.

Dogs that engage in disruptive or repetitive barking or whining should be crated in a vehicle well away from the rings.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or engages in unsafe, disruptive, or aggressive behavior may be asked to leave the show grounds; no refunds will be given.

An officiating Judge, and/or the Chairperson of the trial, may dismiss from the trial site any person subjecting the Judge, or members, or the organizing committee to abuse, whether that person is competing in the trial or not.

Prong collars, choke chains, e-collars and other similar devices are not permitted on the property at any time. Extendible leashes may only be used on the walking trails/open field and must be kept at their shortest length and locked when another dog or person is within 50'.

NOTICE:

Confirmations will be emailed weekly ahead of the trial closing. If you do not receive an official entry confirmation and invoice by the closing date, please contact the Trail Secretary.

Refunds will only be issued if the Trial Secretary is notified before the trial closes, the trial is canceled due to Provincial regulations related to COVID, or if the dog is unable to compete for medical reasons; a veterinary note must be provided in order to receive a refund.

Preliminary running orders will be emailed to competitors a week before the event. Final running orders will be emailed to all competitors the day before the event. Once the final running order is posted, no further changes will be made.

Special requirements for Females in Season

1. Handlers are required to notify the trial secretary that they will be running a BIS at the event as soon as it is known.
2. Any competitor will be allowed to withdraw their intact female entered from this event and offered a refund or credit.
3. Competitors will be notified there is a BIS on site.
4. A protective mat shall be used at the start line. This will be supplied by the club. Handlers may adjust the mat to a place of their choosing for their dog to start from.
5. Females in season will be required to wear protective pants at all times – except while being crated, or in the designated potty area.
6. BIS will run as a group at the end of each class, regardless of class or jump height.
7. "BIS" will be noted next to the dog's name on the gate sheet and will be highlighted in pink for all competitors to be informed.
8. BIS must use a designated relief area. Competitors will be permitted to park near this area in order to minimize impact on other competitors.
